

APRIL 13

S.A.A.M.'S

SILENT

SHOWCASE

Looking for Survivor Art!

Are you a survivor and want to showcase your artwork in our gallery? We are looking for art work, performance art and other forms of self-expression to showcase at a "Silent Showcase" for S.A.A.M. Sexual Assault Awareness Month in April.

Works will be displayed for the community of Hudson County to view the art silently. We hope to provide survivors a safe space to showcase their work and provide viewers the opportunity to walk in a day in the life of a survivor.

If you would like to display your work, please submit Your Name, A picture of your piece and your contact information to:

Natassia.Fleischer@Carepointhealth.org **Deadline: March 15th**
