

Clothesline Project Workshop!

**TUESDAY APRIL 16TH- COMMONS AREA
(10:00am-1:00pm)**

Are you interested in taking a stand against sexual and domestic violence? Then come join us for this workshop...Survivors, their friends and family, and anyone who considers themselves to be an ally are invited to express their thoughts and feelings in the form of art projects on T-shirts.

The clothing will then be displayed on a Clothesline. This workshop increases the ability of community members to work together to change social norms that condone sexual and domestic violence and gives voice to the strength and resilience of survivors.

***Sponsored by:
the Union County Rape Crisis Center,
the YWCA Union County, and Union County College
in honor of Sexual Assault Awareness Month (SAAM).***
