

Manavi: Programs & Resources

- **Culturally specific and linguistically accessible services** – Manavi provides culturally specific and linguistically accessible counseling, advocacy and a range of supportive services to South Asian survivors statewide in New Jersey.
- **24/7 Hotline: 732-435-1414** – Manavi’s trained advocates provide support 24/7 at our confidential hotline in various South Asian languages.
- **Transitional home** – Manavi’s culturally specific transitional home, Ashiana, offers rent-free housing and supportive services, including counseling, support groups and economic empowerment to survivors of violence.
- **Support Groups** – Manavi facilitates both remote and in person support groups which are open to all survivors.
- **Legal Advocacy Program** – Manavi provides legal Services, including, family and immigration legal clinics and court accompaniments to support survivors.
- **Economic Empowerment Program** – Manavi takes a trauma-centered approach to economic empowerment. Manavi has continued to tailor services to meet the needs of each survivor and promote financial independence and economic empowerment.
- **Community Chais** – Manavi coordinates “community chais” to engage in community outreach and education to provide support to survivors statewide.
