

## Full-time Clinical Counselor

### Job description

#### Job Overview

We are seeking a dedicated Clinical Counselor to join our team at Wafa House. This position **offers FREE Supervision**. The ideal candidate will have experience working with survivors, providing professional counseling services to individuals to support client's mental well-being. They help clients manage and overcome mental and emotional issues, develop treatment plans, and work towards personal and therapeutic goals. This role requires a deep understanding of therapeutic techniques, excellent communication skills, and a compassionate and culturally sensitive approach to client care.

#### About Wafa House

Wafa House is a culturally specific nonprofit organization which specializes in serving the needs of survivors of domestic violence in the Arab, South Asian, and Muslim communities. Wafa House offers a range of services with a culturally sensitive approach including clinical mental health services, social services, and legal services. At Wafa House, our mission is to serve and strengthen individuals who need financial and emotional support and help them feel a sense of community.

#### Duties and Responsibilities

- Conduct initial intake assessment to assess clients' needs and determine treatment plan
- Provide crisis intervention and psychotherapy to clients
- Monitor the progress through informational and detailed clinical progress notes
- Develop safety plans with danger assessment for victims of domestic violence
- Complete psycho-social assessments for clients
- Strategize for client's well-being
- Implement psychoeducation within the respective area of presenting problem
- Assessing and diagnosing clients experiencing symptoms of psychological distress
- Working with clients to set goals and develop treatment plans for their presenting issue

#### Miscellaneous

- Perform other duties as assigned
- Show commitment to the organization's values and principles
