

DENIM DAY DONATION DRIVE

for Prevention, Advocacy, and Counseling!

This year for Denim Day, St. Francis Counseling Service is asking community members to engage in a donation drive to better support survivors of Ocean County.

If you are interested in offering your support to survivors, please take a look at our wish list below for some of the most commonly needed items in our hospitals and counseling offices. No donation is too small!

Scan for our Amazon wish list!

We are thankful and appreciative to receive donations from anywhere.

Donations can be mailed or dropped off to St. Francis
Counseling Service!
